Bonus: Ethical Job Search Tips
Ethical and Professional Job Search

UNC Charlotte expects any student accepting a job offer to honor their commitment to the accepted position and company by ceasing their job search upon accepting an offer.

When faced with an offer you are not sure about:

- Ask offering employer for 24 hours to consider.
- Inform any ‘first choice’ employers of your offer and ask if they have made their hiring decision yet.
- Based on what you learn, make the best decision you can and STICK WITH IT!

Beware of Scams

Scam – A dishonest scheme; a fraud; a swindle

- You may receive calls from numbers that look like official offices such as 911 or the number for USCIS
- They may possess personal information such as your I-94 and passport numbers, birthday, address, etc.
- May threaten to terminate your immigration status or deport you if you do not pay them a sum of money immediately
  - Money wire, Bitcoin, Western Union, gift cards
- May tell you not to contact UNC Charlotte officials or local police

If you think a call may be a scam, take a number and hang up. Do NOT send any money and Contact ISSO during business hours!
